PERFIL

We are an ecotourism agency in Ecuador. We focus on the organization of excursions, tours, events and activities that cover a wide range of experiences, from adventure sports to ecotourism and agritourism. We provide the opportunity to explore the natural diversity, historical and cultural wealth of Ecuador in a sustainable way. We have an expert team and we are committed to environmental conservation.

EQUIPO DE TRABAJO

Operation

Touring deep Ecuador, I was fascinated by its rich culture and natural diversity. Four worlds that have a lot to offer adventurers from all corners of the planet. I invite you to discover the biggest secret of South America.

**Jesús
Patiño**

Administration

It is a pleasure to offer administrative and managerial solutions to allow a tourist operation that is responsible for society and the environment. My management is at the service of those who want to know this beautiful country called Ecuador.

**Grace
Gómez**

Marketing

As part of the marketing team, I am passionate about discovering the country's hidden treasures and sharing them with you. We personalize unique experiences that captivate you, creating unforgettable memories. Live the experience with us and discover the greatness of Ecuador through your own eyes.

**Esteban
Román**

**Wilmary
Gutierrez**

For me it was an honor to join this exceptional work team where commitment and responsibility is the main part. I work dedicatedly to be a constructive member of this great company, contributing not only ideas, but also being part of a positive and collaborative work environment.
